

# Return to Class

SCENARIO APPROVED BY THE DIRECTOR GENERAL OF PUBLIC HEALTH

Additional educational support offered to elementary and secondary students, especially those who continue their online learning.

- **Improved educational support**
- **Loan of digital material and Internet access to students who need it**

## Key Ingredients FOR THE RETURN ...

### ...A CONCERTED EFFORT

- Establishment of national working groups who will prepare together for the resumption of classes:
  - MEES, teachers, support staff, professionals, school administrators, executives, Director Generals of school boards and parents;
  - Each school team prepares for their return working with the school board and its local players.

### ...SAFETY & SECURITY

- Respect the directives issued by Public Health

### ...KINDNESS

- Inform and reassure parents;
- Welcome and support students on their return to class.

### ...REALISTIC GOALS

- Plan the essential learning goals to work for by the end of classes;
- Consolidate achievements.
